EXPERIENCE

DepEd, Division Office, Baybay—Intern (OJT)

JANUARY 2025 - April 2025

- During my internship at DepEd Baybay (Jan–Apr 2025), I provided IT support by troubleshooting computers, laptops, and printers, performed basic networking tasks, assisted with software installation, and developed a Leave Management System (LMS) using ReactJS, Node.js, and MySQL.

Nestle, Baybay—field researcher

SEPTEMBER 2019 - April 2020

- Conducted market surveys to gather data on product performance and customer preferences, collaborated with local retailers to assess stock levels, and analyzed sales trends to support business strategies.

Asa Phil Foundation, Tacloban — Junior Microfinance Officer

March 2019 - SEPTEMBER 2019

- Assisted in developing and implementing microfinance programs for local entrepreneurs, conducted client assessments for service eligibility, provided guidance on financial literacy and business management, and collaborated with team members for effective program delivery.

Photo line, Cebu

SEPTEMBER 2018 - FEBRUARY 2019

- Created visually appealing layouts for print materials, collaborated with clients to understand design requirements, and utilized Adobe Creative Suite for graphic design projects.

EDUCATION

FRANCISCAN COLLEGE OF THE IMMACULATE CONCEPTION, Baybay City, Leyte, — BSIT

2024 - 2025

- Pursuing a Bachelor of Science in Information Technology, focusing on developing technical skills and knowledge in IT systems, software development, and data management.
